TRP® PARTS

TRP® parts for trucks, trailers and buses are available through authorized retailers that include Kenworth, Peterbilt and DAF dealerships around the world. Supported by a worldwide network of parts and service professionals, TRP offers dependable aftermarket products that are designed and tested to exceed customers' expectations for quality and value. Regardless of the age, make or application of the vehicle, TRP is the all-makes answer.

QUALITY AND VALUE FOR ALL MAKES OF TRUCKS, TRAILERS AND BUSES

Drivers and their vehicles—trucks, trailers and buses alike—are constantly being tested. Whether it's the elements, the schedule or the terrain, you must be prepared. The TRP® line of parts and service is engineered to withstand those tests—and exceed them.

TRP is dedicated to providing quality replacement parts for all makes at great value. It's the partnership between tough parts and the roads that test them. It's a focus on extending the life of your vehicle, no matter the make, so you can get the most out of your truck, trailer or bus.

What TRP means to you is confidence. Confidence that you're covered, no matter your make or vehicle. Confidence that the job will get done. And the confidence to take on whatever test may wait around the next turn.
